

Les Colocs

Ain't Givin' Up

Paroles et Musique Mike Sawatzky

A13

I want you to take a look in my life
'cuz my life is in troubled times
I can't pay the rent, can't feed my dog
and my baby won't be 'round long

D7

Sittin' around in my lonely room
Sweating and think and preparing for doom

Refrain

A13

I don't know what to do, I don't know what to do

B7

My name is the deep rythm roller babe

D7

I ain't givin up on nothin'

A13

I ain't givin up on nothin'

A13

My problems would be nothin' at all
If I didn't drink sometimes till dawn
I lost my band and my snake skin boots
And I came inches from losing my truth

D7

Lies, lies, lies, they ain't nothin' at all
If you don't mind not standing too tall

Refrain

Solo guitare

A13, B7, D7, A13
